

# School Rewards Publicity

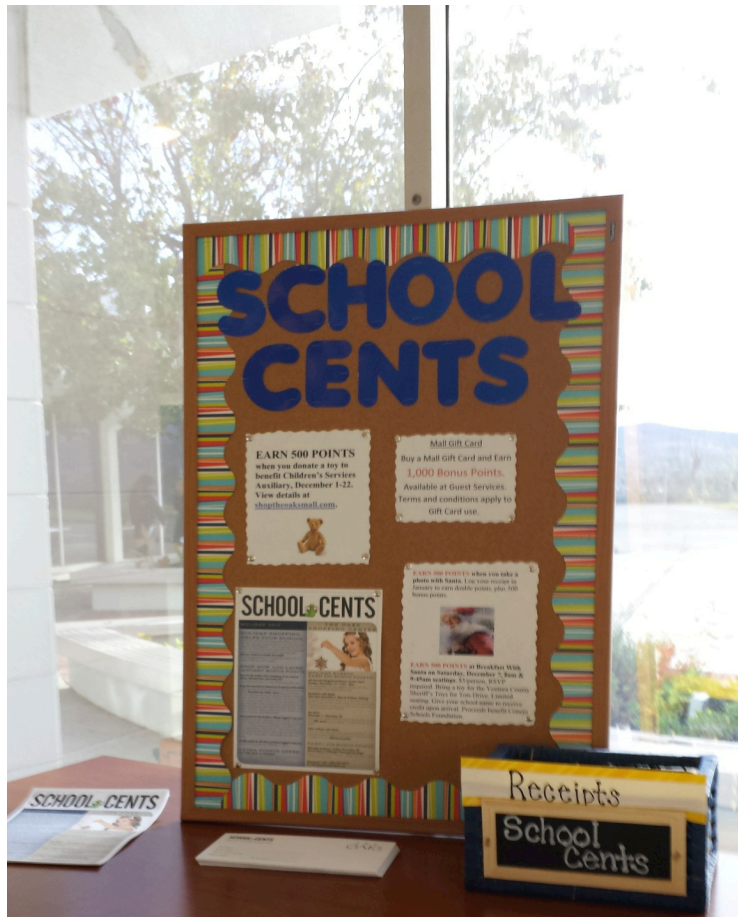

Collection Box Ideas

Be sure to have a collection box available at your school . This convenience is likely to increase not only the the number of supporters at your school but also the number of receipts turned in!

If available, designate a school rewards area in a high traffic spot. The front office is a great place since parents come in and out on a regular basis, but try the staff lounge and the kids after school area as well.

Were you unable to turn in your receipts to Guest Services after shopping all day with the kids? Place your Galleria receipts from Back to School shopping in this paper bag and return it to Alta Vista next fall. Our School Rewards volunteer will take them in for you. Make sure your child's name is on the bag and they will be returned.

**4th of July**  
10 points for every dollar!  
Only purchases  
made and logged on that day

Collection boxes can be anything that works best for your school. Brown paper bags, envelopes, decorated coffee cans, etc.
