

SCHOOLCENTS

Earn 5,000 points + double points when your school partners with the shopping center businesses that offer fundraising opportunities to schools.

Follow these steps:

1. Contact the business to set your event date (September 1 through April 30) and confirm their requirements.
2. Email info@shopandlog.com to let us know your event location and date.
3. Promote your event to your school's families, staff and other supporters. You may include your promotional piece as one of your four monthly items to earn 1,000 bonus points.
4. After your event, you will receive notification from the business with your event total and/or the amount your school earned from your event. This may be an email, or you may need to log into a website for this information.
Forward the email or a screenshot to info@shopandlog.com as soon as possible.
5. Do not submit receipts from your event – your school earns double points for the total sales, from the business notification, plus 5,000 bonus points.

Additional info:

- Your event must have at least \$100 in sales to earn the 5,000 bonus points.
- Limit 5,000 points for each different business offer. Additional events with the same location will earn double points, but not the 5,000 bonus.
- School Cents points only applies to Lakewood, Los Cerritos and Stonewood Center locations.
- If there is a different group affiliated with your school holding a fundraising event, you may contact the group representative for the event results info and forward to earn points.
- The list below is subject to change. Please check with the business to confirm all the details about their fundraising policies.
